MADISON PARKS BY THE NUMBERS

The impact of parks and open spaces to our community is unmeasurable. While most park visitors go uncounted, in this report, we reflect on the 2021 year in Madison Parks with a few of the measurable numbers. We're most grateful to our partners and visitors, as we continued to navigate the pandemic throughout the year. We could not offer or do what we do without the many staff, partners and volunteers who continue to shine and make a difference in the lives of all who live in or near the Madison area. Your impact is demonstrated by the numbers and images within this report.

We invite everyone to join us in 2022 as we celebrate 50 years of conservation parks, numerous events and volunteer opportunities, as well as ways to donate through the Madison Parks Foundation.

2 all-inclusive playgrounds

24 unique parks in the Carts in Parks program

1 pump track added and opened in Aldo Leopold Park

43 acres grazed by goats
in prescribed grazing

160
drinking fountains
maintained

19 equity team members planned, coordinated and hosted
10 unique Morning Cafe sessions, creating **304** hours
of enrichment and connecting staff with local, regional, and
national equity leaders to advance Park equity.

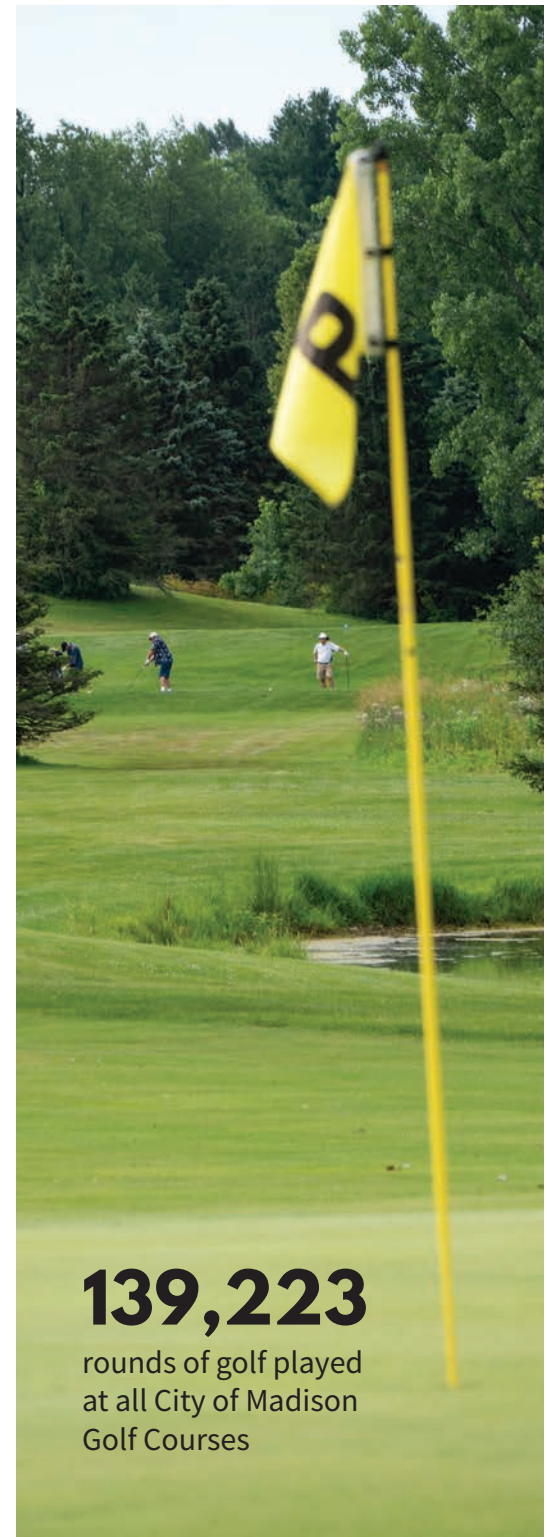

Racial Equity & Social Justice Initiative

CITY OF MADISON PARKS

Madison Parks is dedicated to ensuring race
will not limit access for people of color to
our parks, natural resources, and recreation
opportunities by service or design.
