

Park Development Plan Summary

Introduction

Eastmorland Park is part of the Southeast Area Plan and was acquired by the City in 1950. Some improvements have been made to Eastmorland Park, but the park has remained in its current configuration since around 2008.

Existing Facilities

Existing park facilities include three playground areas, basketball court, sun shelter, backstop, engineering path and a park path. Existing amenities should be kept on typical maintenance and replacement schedules.

Proposed Facilities

Proposed facilities include a replaced playground, new path, and managed meadow.

Special Conditions

12' storm easement in Northwest section of park from Schenk St maintained by Engineering. Stormwater greenway through center and Northwest section of park maintained by Engineering. Western section of park designated for potential bike optimized facilities including singletrack, linear parallel trails, skills development trails, and bicycle playground (BPG).
